Section 4.

The amount of the dues will be certified to the Township by the Secretary-Treasurer of the Union.

ARTICLE V

SENIORITY:

Seniority is defined as an employee's continuous length of service with the employer, beginning with his latest date of hire as a full time employee. A newly hired full time employee shall have no seniority rights until the completion of the six-month probationary period, but seniority will be retroactive to the latest date of hire. Seniority shall be given preference in lay-offs, recalls, and in vacation schedule.

A break in continuous service occurs when an employee resigns or is a voluntary quit, is discharged for cause, retires, is laid off or takes an unauthorized leave of absence. However, seniority accrued prior to lay-off shall be continued upon recall and re-employment.

ARTICLE VI

LAY OFF AND RECALL

1. Lay-Off - Lay-Off means the separation of a full time employee from the position for reasons other than delinquency or misconduct on his part. The employer agrees that employee lay-offs shall be on the basis of seniority within job classification, provided that the remaining employees within a classification are qualified to perform the required work.
2. Recall - Full time employees will be recalled to work in the reverse order within job classification in which they were laid off by the employer. Notice of recall will be made by telegram or certified mail to the employee's last home address of record. The employee must provide the employer with any address change while waiting for recall.

Within 24 hours of receiving the notice of recall, the employee shall notify the Township if he intends to return to work, and shall actually return to work within 15 days after receipt of the notice of recall. Failure to respond as herein agreed shall result in loss of seniority, and the employee shall be considered as a voluntary quit.

Employees on lay-off shall be recalled in the inverse order of lay-off provided the employee has the necessary qualifications, skills, and abilities for the work available. The employer shall not hire new employees while there are employees on the recall list qualified to perform the duties of the vacant position, unless such employees on recall refuse to accept such employment. An employee recalled to a classification with a lower salary rate than his previous classification may refuse such position and remain eligible for recall. Recall rights shall be terminated twelve (12) months from the date of lay-off.

ARTICLE VII

GRIEVANCE AND PROCEDURE:

1. Definition: A grievance shall be defined as a complaint by an employee that, as to him or her, there has been an inequitable, improper or unjust application, interpretation or violation of the agreement and/or general practices in effect in the Township of Montgomery.

STEP 1.: The grievant shall institute action under the provisions hereof in writing, signed, and delivered to his or her direct supervisor within five (5) working days after he or she would reasonably be expected to know of the occurrence. Failure to act within said five (5) days shall be deemed to constitute an abandonment of the grievance. The direct supervisor shall render a decision, in writing within three (3) working days after receipt of the grievance:

STEP 2.: In the event satisfactory settlement has not been reached, the grievant shall, in writing and signed, file his complaint with the Department Head within three (3) working days following the determination of STEP 1. Department Head, or his designee, shall render his decision within five (5) working days after receipt of the complaint.

STEP 3: In the event satisfactory settlement has not been reached, the grievant shall, in writing and signed, file his complaint with the Township Administrator within five (5) working days following the determination in STEP 2. The Township Administrator, or his designee, shall render his decision within ten (10) working days after the receipt of the complaint. This decision shall be final in all cases except where a violation of this agreement is alleged.

STEP 4: a. ARBITRATION in the case of an alleged violation of this agreement, should the grievant be dissatisfied with the Township Administrator's decision, the grievant, with the approval of the Union, has thirty (30) working days in which to request binding arbitration. The Arbitrator shall be chosen from a panel submitted by the Public Employees Relations Commission and selected in accordance with its provisions. However, no arbitration shall be scheduled sooner than thirty (30) days after the final decision of the Township Administrator. The arbitrator's decision shall be in writing and shall set forth his findings, the facts, reason and conclusion of the issues submitted.

- b. The arbitrator shall be bound by the provisions of this AGREEMENT and restricted to the application of the facts presented to him involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this AGREEMENT or any amendment or supplement thereto. Said decision will be final and binding on all parties.

- c. The cost for the services of the arbitrator shall be borne equally by the Township and the Union. Any other expense incurred in connection with the arbitrator shall be paid by the party incurring the same. The cost of the transcript, if any, will be borne by the party requesting it. If both parties request the transcript, the cost will be borne equally. Time limits under this Article may be changed by mutual agreement, in writing, only.

ARTICLE VIII

DISCIPLINE

1. An employee may only be disciplined for just cause. The employer will give the Union written notice of the nature of the discipline and the reason for the discipline within five (5) days. Failure to provide such notice or failure to include any reason in the notice shall not prejudice the right of the employer to impose the discipline or to introduce such reasons during the grievance procedure and in any arbitration which may follow.

ARTICLE IX

HOURS OF WORK

1. Regular work schedule showing employees work days and hours from 7:00 a.m. to 3:30 p.m. shall be posted on the Union bulletin board at all times. Except for emergency situations, changes in the regular work schedule shall be posted one week in advance.

Employees are expected to commence their daily work promptly. Whenever an employee expects to be late or absent for any reason, be it excused or unexcused, he shall so notify the Police Dispatcher no later than his normal starting time, request that his Department Head be notified, and thereafter report to work as promptly as possible.

2. An employee shall not be required to work more than ten (10) consecutive hours without receiving a paid one-half hour rest period after the tenth hour. Such rest period will be used for the purposes of eating, resting and changing clothes and shall be taken at the employee's place of work. An employee who works ten consecutive hours shall be granted an additional paid one-half hour rest period after each additional four hours.
3. During rest periods occurring after ten consecutive hours of work in snow removal and sanding operations, the employer will provide meals for the employee(s).
4. In an emergency, each and every employee shall be subject to call for emergency duty. If an employee refuses to accept the such emergency assignment for satisfactory reasons, the shall not be subject to disciplinary action. Emergency is defined as any situation affecting the health, safety and general welfare of the public as determined by the Mayor and/or Township Administrator.

-14-

The determination as to what constitutes an emergency will be at the discretion of the Employer and will not be subject to the grievance procedure.

ARTICLE X

OVERTIME

1. Any work exceeding eight (8) hours in any scheduled work day, or forty (40) hours in a work week, shall be construed as overtime work. Vacation days, holidays, bereavement leave, and approved sick days shall be considered as time worked for purposes of compensating overtime hours.
2. The Employer agrees to pay employees of the Unit at one and one-half times their basic hourly rates of pay for overtime work as follows:
 - a. Hours worked in excess of eight (8) hours in a scheduled work day or in excess of forty (40) hours in a work week, except for circumstances noted in paragraph 3 below.
 - b. Hours worked on Saturdays and paid holidays (provided the employee has been paid for a full week in the work week in which the holiday or Saturday falls) except for circumstances noted in paragraph 3 below.
3. The Employer agrees to pay employees of the Unit at two times their basic hourly rates of pay for overtime worked in the following circumstances:
 - a. Hours worked on Sundays (provided the employee has been paid for a full week in the work week in which the Sunday falls).
 - b. Regularly scheduled overtime hours worked on Saturdays, Sundays, or paid holidays. Regularly scheduled overtime hours are defined as those which an employee is required to work Saturdays,

Sundays, and/or holidays on a continuing and repetitive basis in accordance with a predetermined schedule established by the employer.

4. When an employee is called in to work outside of his normal working hours as defined in Article IX, he will be paid a minimum of two (2) hours of pay at his applicable overtime rate of pay.
5. Employees shall be required to work overtime upon the request of Supervision. Opportunity to work overtime hours will be offered to bargaining unit employees first and will be rotated with the intention of achieving equal opportunity for such overtime hours work, provided the employee is qualified to perform the overtime assignment.

The equalization of opportunity will be achieved by means of the "wheel". With the wheel, a list of employees is tab listed, by seniority. Overtime opportunities as they occur, are offered to the employee at the top of the list. When the opportunity to work overtime has been offered to an employee at the top of the list, his name will then go to the bottom of the list, whether he actually works the overtime or not.

ARTICLE XI

OUT OF TITLE WORK:

1. The parties agree that although there are times that employees will be required to perform work outside their ordinary job classifications, it is the intent of both parties that employees shall ordinarily be assigned work appropriate to and within their job classifications. Exceptions to this practice may be as follows:
 - A. The employer, in writing, assigns an employee, on a temporary basis, to a position of higher classification for an extended period. An extended period is defined as any period in excess of two calendar weeks. During the period of temporary assignment, the employee shall receive a 10% adjustment to his/her rate of pay, or \$1.00 per hour, whichever is greater.
 - B. When a Equipment Operator is assigned to operate equipment of a higher classification for all or part of one day, and is subsequently assigned to operate that equipment for the next working day as well, he shall be paid at the minimum rate for the higher classification, or 10% higher than his regular rate of pay, whichever is greater, for the second day and each consecutive day of the temporary assignment thereafter.

The work time described in the above paragraph shall not include the routine use of equipment employed in the loading of salt and sand during sanding and/or snow removal operations, or similar types of brief use of equipment related to an employee's normal duties.

Once assigned to a task while performing out-of-title, the individual will see the task through to completion unless the individual of the higher classification returns to work, in which case that individual of the higher classification will take over the task.

The equalization of opportunity for such out-of-title work will be achieved by means of the "wheel". With the wheel, a list of employees is tab listed, by seniority. Out-of-title opportunities as they occur, are offered to the qualified employee at the top of the list. When the opportunity to work out-of-title has been offered to an employee at the top of the list, his name will then go to the bottom of the list, whether he actually works the assignment or not.

ARTICLE XII

PROMOTION:

1. Promotion means the advancement of an employee to a job classification within the unit with a higher pay range. Length of service with the Township will be considered in decisions regarding promotion.
2. Upon promotion of a fulltime employee, all sick, administrative and vacation leave balances shall be retained by the employee. Upon promotion, an employee shall be informed of the new rate of salary compensation at least one week in advance of the effective date.
3. When an employee is given an opportunity on a trial or temporary basis to qualify for promotion by serving in a new position, their permanency in their former position shall be continuous and the employee shall have the opportunity to return to the former position in the event the promotional opportunity does not become permanent, provided there is no discharge for cause.
4. Upon promotion, an employee shall receive an increase in rate of pay of 5 percent or the minimum for the new job classification, whichever is greater. However, under no circumstances will the new rate of pay exceed the maximum rate established for the new job classification.

ARTICLE XIII

Extra compensation will not be allowed in lieu of unused vacation time.

Vacations shall not be taken for more than two (2) consecutive weeks accept with the approval of the Township Administrator.
